5. How we store & protect Personal Information - Data Security

We want our members and site visitors to feel confident about using our Website and making car rental reservations, so we are committed to protecting the information we collect.

We will retain your personal data for only as long as required under French law for the relevant purposes described in this Privacy Policy. Europcar and its third party service providers will use appropriate physical,

technical and organizational security measures to prevent unauthorized or unlawful processing, accidental loss of or destruction of or damage to your personal data.

The Europcar network is a safe and secure online environment. Our systems are configured with data encryption, or scrambling technologies, and industry-standard firewalls. When you send personal information to a Europcar website over the Internet, your data is protected by Secure Socket Layer (SSL) technology to ensure safe transmission.

Every credit card transaction you make at Europcar websites is done through our Secure Server Technology. This provides many security features, including:

Authentication: this assures your browser that your data is being sent to the correct computer server, and that the server is secure.

Encryption: this encodes the data, so that it cannot be read by anyone other than the secure server.

Data Integrity: this checks the data being transferred to ensure it has not been altered.

6. How to access, update, correct or delete your Personal Information

We make reasonable efforts to ensure that the personal data we have about you is as accurate, current and complete as necessary for the purposes for which we use that data.

Under the French Data Protection Act, you have at any time a right to access, and oppose for legitimate reasons, the processing of your personal data as well as the right to update, correct or delete personal data collected by us that would be incomplete, inaccurate, outdated data, or those forbidden by law, by logging into your "My Europcar" profile or by contacting our main office in your country of residence.

You will find the address of our headquarters in the "[Legal Mentions](#)" section on our website. As an alternative, you may obtain the information by writing to us at:

Europcar International - Data Centre, Bat OP - 2, rue René Caudron, 78960 Voisins-le-Bretonneux, France

To protect your privacy and security, we will take reasonable steps to verify your identity before granting access or making corrections.

You will also be able to change your password and secret question at any time by logging into your "My Europcar" profile.

7. How can I opt-in to receive promotional emails? - Our Opt-in Policy

As a Europcar member, you may occasionally receive, via email, information about our Products and Services, updates to our Site, customized advertisements and promotions that are targeted to your specific interest, such as special deals, promotions, contests, sweepstakes and other travel opportunities available on Europcar websites and/or sponsored by our travel service providers and advertisers. We send this information directly ourselves, or via third party service providers.

You will be sent these emails about our Site upon your request. You can subscribe in the "Profile" and

"Alerts" pages of the My Europcar section, accessible through the main navigation bar of the Website or send us an email by clicking here.

At any time, you may decide that you do not want to receive any future marketing or promotional emails from us. In this case, you can unsubscribe in the "Profile" and "Alerts" pages of the My Europcar section, accessible through the main navigation bar of the Website or send us an email by [clicking here](#).

In addition, in our emails and other communications, we will include instructions on how to unsubscribe.

We reserve the right to limit membership to those who will accept emails. Members will be notified via email prior to any actions taken.

8. Changes to the Privacy Policy

Our Privacy Policy is likely to be updated. We therefore recommend that you regularly review this document in order to be fully aware of our commitments regarding the security and privacy of your Personal information. If you have questions about our Privacy Policy, please [Contact us](#).
