[UK also gives 24 hours following time of pick up for the customer to report damage not noted on RA]. 11) WHAT PROCEDURES ARE BEING APPLIED WHEN RETURNING THE VEHICLE?

You should return the Vehicle to the Europcar station, at the latest, on the date and at the time shown on the Rental Agreement. You may return the Vehicle to another Europcar station for the cost indicated in the quotation sent to you.

Any unauthorised return of the Vehicle to another Europcar agency ("One way") may lead to your being billed for additional fees. For more information as to the amounts billed please see the Recommended Tariffs Guide attached to your confirmation email if you have made a reservation online and which can be consulted in the agency and/or on the Europcar website.

The Hire Period will end when You return the Vehicle to the Europcar station and hand the Vehicle keys and the registration documents to a Europcar agent or its representative.

Any return of the Vehicle at an earliest stage than the date and time mentioned on the Rental Agreement shall not give rise to any reimbursement.

When You do return the Vehicle to Europcar You must take the opportunity to inspect the Vehicle together with the Europcar agent or its representative and countersign a Vehicle restitution damage report.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle.

b) "Out-of-hours" return Service

Europcar recommends returning the Vehicle during opening hours of its stations. However, to meet the specific needs of some of its clients, Europcar offers, in certain stations, an additional "out-of-hours" service

If You opt for this "out of hours" service, You accept that the Vehicle condition report can be drawn by the Europcar agent or its representative without your presence and after the drop off the keys.

In stations offering "out of hours" return services, the above-described procedure (see point 11)-a)) was adapted to enable these stations to offer this service in the best possible conditions.

In particular, You have to declare any incident and/or Damage that affects the conditions of the Vehicle on the document that will have been hand in to You to that matter when You picked up the Vehicle.

Depending on the available systems and the information that You will have received from Europcar, this document must be leaved into the Vehicle or returned with the keys in the "keys drop off box" provided for that effect.

Please note that your Rental Agreement does not automatically ends when You drop off the keys: the Vehicle will remain on the parking space where You will have parked it until opening of the Europcar station that will proceed to the inspection of the Vehicle and close your Rental Agreement. Therefore, Europcar reminds you that you must park the Vehicle on an area provided for that purpose and in a manner so that the Vehicle is not a danger to others or hamper traffic as aimed by the Highway Code. You must also leave the Vehicle registration papers in the glove box.

Providing that the Vehicle is inspected at a later stage – during opening hours of the station – Europcar recommends You to take photographs of the Vehicle in order to keep evidences of the state of return of the Vehicle once it is parked and before the drop off of the keys. Please be aware that such photographs shall clearly show the date and the time in order to be evaluated by Europcar.

Europcar cannot be held liable for eventual property and/or objects You may have forgotten in the Vehicle.

c) Return of the Vehicle during opening hours of Europcar's station with an inspection in your absence.

If you are unable and/or refuse to inspect the Vehicle together with the Europcar agent or its representative, Europcar is authorised to inspect the Vehicle itself without your presence and to register your impossibility or refusal of a contradictory inventory.

The same Procedure as the one described above will applied (See 11°-b)).

d) Late return of the Vehicle

In the event that the Vehicle is not returned on the date shown on the Rental Agreement, and if a period of 24 hours elapses without there being any news regarding the delay in its return, Europcar shall regard the Vehicle as having been unlawfully appropriated and will be entitled report this to the competent local authorities.

In such case Europcar will be entitled to:

- charge You an additional day for each rental day at the rental tariff in effect, plus a fixed fee of EUR 50 net per extra day, unless You can demonstrate that You have no longer the disposal of the Vehicle through no fault of your own or that the non restitution of the Vehicle resulted through no fault of Your own.
- claim from You all compensation for all Damage and losses suffered by Europcar and all the fines, tolls, penalties or sanctions owed with respect to the Vehicle as a result of demands issued to it by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence. Bill You for the administration fees if the Vehicle is returned late.

We supply vehicle rental services under the brands of ‘Europcar’ and ‘InterRent’.

Thank you for choosing Europcar to supply your rental vehicle needs. We hope everything will go very smoothly for you but, just in case it doesn’t, we have set out below a summary of:

- insurance that we include as part of our rental service because there is a legal obligation upon us to do so (I-Mandatory Third Party Liability insurance Provisions); and
- other protection products that we make available to you because we want to be able to give you peace of mind during your rental with us (II-Protection products provisions).

These insurance and protection products are designed to cover your potential exposure if any of the following circumstances occur whilst you are renting and using one of our Vehicles. Without them, you will be personally responsible for the financial consequences:

Liability to a Third Party means *other people’s* bodily injury or death and / or damage to their property that occurs because of an accident or incident that you may cause. Damage to a third party’s property could include buildings or their contents, machinery or personal possessions. The cost of any business interruption associated with either the third party’s injury or death and/or the damage to their property will also form part of this liability.

Damage to or theft of the Vehicle the Vehicle itself may be damaged as a result of a collision or an attempted theft and need to be repaired or it may be so badly damaged that it is irreparable and we write it off; or it may be stolen and not recovered

You should be aware that if you are the driver of the Vehicle at the time of a collision and you are responsible for the collision taking place then whilst any injured Passengers will be covered by our Third Party Liability insurance your own injuries (together with the possible associated consequences of it) or death will not. You can, however, be protected from such circumstances if you purchase any of our Personal Accident protections separately.

Book value: means the value that a Vehicle is recorded to be worth to us on our books at the time of the incident.

Collision means the impact of the Vehicle with another fixed or moving body or object

Excess amount is a specified sum of money that, provided you have complied with the Local Rental terms and conditions and have not committed a breach of any applicable laws, is the maximum amount we will charge you for the cost of any damage caused to the Vehicle as a result of a collision during the rental period or its attempted theft; or the loss of a Vehicle if it is written off because it is irreparable or if it is stolen and we do not get it back. The Excess amount is a non-waivable sum that is governed by the conditions of the protection product you have purchased.

Local Rental terms and conditions means the document you acknowledge that you have read and approved when you sign your rental agreement and which sets out the rights and obligations that will apply to both you and us throughout the rental period

Passenger means any person *other than the driver* that is being transported or is travelling in or on the Vehicle on a gratuitous basis. A Passenger would be viewed as a Third Party under the mandatory Third Party Liability insurance regimes

Third Party means any party to an incident – other than the driver of the Vehicle. For the avoidance of doubt a Passenger is deemed to be a Third Party

Third Party Liability insurance means insurance that provides the driver of a Vehicle with protection against liability for another party's claims for damage to his/her property or for bodily injury or death arising out of an incident arising whilst you are using the Vehicle. Third Party Cover is a mandatory legal requirement and it is therefore an integral part of our rental service. The cost of it is included in the rental charge.

Vehicle means the vehicle you will be renting from us or you will be driving with our authorization.

We or we/ Us or us / Ours or ours means Europcar

You or you / Yours or yours means any named driver

I-MANDATORY THIRD PARTY LIABILITY INSURANCE PROVISIONS

We are mandated by the laws of all of the countries in which we operate our vehicle rental services to insure our Vehicles against liability for the claims or actions of Third Parties. We have purchased an adapted Third Party Liability insurance from the foremost insurers in the business and it is automatically included as part of our vehicle rental services. You will therefore, as a matter of course, be covered up to the level legally required by the country in which you are renting the Vehicle for the consequences *others* may suffer as a direct result of your actions whilst you are driving the Vehicle.

What am I covered for?

As provided by law you will be insured against liability for the financial cost of any of the following consequences that may arise as a result of an incident that you cause when you are using the Vehicle:

- bodily injury or death suffered by Third Parties; and
- property damage sustained by Third Parties and losses and costs arising as a consequence of the damage.

What is excluded from the cover?

Third Party Liability insurance does not cover:

- bodily injury or death that you (the driver at the time of the collision) may suffer; or
- any damage to or loss of your personal property or possessions; or
- any damage caused to the Vehicle

What is the amount of my financial exposure for Third Party Liability?

Provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations when you commit an offense that is personally attributable to you) then you will be covered for the financial cost of any Third Party Liability arising as the result of a collision that you may cause whilst you are driving the Vehicle up to the level legally required by the country in which you are renting the Vehicle.

However, if you didn't comply with those laws and/or regulations then, whilst our insurer will still fulfil its obligations to Third Parties under the Third Party Liability insurance policy, it may seek to recover from you some or all of the costs it may have paid to that Third Party as a result of the incident.

How to notify us?

In circumstances involving Third Parties it is important that you do your utmost to properly complete and sign an Accident Report ("*Constat d'accident*") form which gives us all relevant details of both the incident and of the Third Party. This will allow us to defend our case against the Third Party (if you are responsible for the incident) or to recover costs from the Third Party (if the Third Party is responsible for the incident). The Accident Report form should be transmitted to us within 5 working days of the incident or as soon as you reasonably can in the circumstances.

II-PROTECTION PRODUCTS PROVISIONS

If during your rental the Vehicle is damaged and you have not purchased this protection you will have to pay for the total cost of the damage as well as compensation due its immobilization.

We will calculate the average cost of light damage from the table matrix that can be found at our pick-up stations. PERSONAL ACCIDENT & BAGGAGE PROTECTION

The following details are for information only and do not replace or supercede the terms and conditions of Axa Corporate Solutions policies (PAI #XFR0078448GP / SPAI #XFR0078449GP) copies of which can be found at [europcar.fr](http://www.europcar.fr) : <http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections>.

Whilst we automatically include Third Party Liability insurance as part of our vehicle rental services (for details of this insurance please see the section [I] above entitled 'Third Party Liability Insurance') this does not cover the bodily injuries suffered by the person driving the Vehicle at the time of a collision. If you are the cause of a collision whilst you are driving a Vehicle you will therefore not be covered, by the rental car third party liability insurance, or the third party public liability insurance for the financial repercussions of:

- personal bodily injury or death; or
- any damage to or loss of your Bagages, personal property or possessions.

In order therefore to minimise your financial exposure for such damage, loss or injury in such circumstances we are offering two separate products which you can purchase on a non-cumulative basis.

- The first product (**Personal Accident protection**) provides cover for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity if you are disabled or you die as a result of a collision (or an accident).
- The second product (**Super-Personal Accident protection**) provides higher and best-in-class protection for medical expenses incurred as a result of injuries suffered; and /or a lump sum indemnity if you are disabled or you die as a result of the collision (or an accident) and in corporate baggage cover as well.

The period of validity of these products corresponds to the dates indicated on your rental invoice with a maximum of 120 consecutive days.

PERSONAL ACCIDENT PROTECTION

What am I covered for?

Under this protection product you can claim for the financial cost of any of the following potential consequences resulting from your death or injury in a collision that occurs when you are driving the Vehicle:

- a lump sum payment of up to a **maximum of €50,000**
 - in the event of your death (or presumption of death) within 24 months of the collision or incident; or
 - if you ultimately remain partially or totally disabled from the consequences of the collision or incident;

- medical expenses of up to a **maximum of €2,500**(which includes hospitalisation, consultations and pharmaceutical costs; X-rays and relevant medical tests; dental treatment or any prosthetics) necessitated by the collision or incident.

If you and / or your Passengers are victims of a collision during the rental period then, provided you have purchased the product (in which case the protection will apply to you and all passengers in the Vehicle), a claim can be made against it irrespective of who is at fault. As a result:

- Passengers, who are always considered as third party under the third party liability insurance regime, will be indemnified, regardless the liability of the driver, by the third party liability insurance, they can also collect the lump sum indemnity they are entitled to under the Personal Accident Protection product
- If you are not the cause of a collision whilst you are driving a Vehicle(an “non at fault” driver), you can cumulate the third party liability insurance compensation, with the the lump sum indemnity he is entitled to under the Personal Accident Protection product,
- If you are the cause of a collision whilst you are driving a Vehicle(an “at fault” driver) , you won’t benefit from a compensation from the third party liability insurance, but can collect the lump sum indemnity they are entitled to under the Personal Accident Protection product

What is (mainly) excluded from the cover?

This Personal Accident protection does not cover:

- any of the costs set out above if the expense was not incurred as a direct result of the collision or incident occurring whilst you were in control of the Vehicle or if you intentionally caused or brought about the accident or collision; or
- any costs relating to treatment you were receiving or medical conditions you were suffering from before the accident or incident occurred; or
- any damage to or loss of your personal property or possessions; or
- any damage caused to the Vehicle

A more complete summary of the cover provided by this Personal Accident protection product can be found at [europcar.fr]

What is the amount of my financial exposure?

Provided you have not committed a breach of any applicable laws (including any relevant road traffic regulations and, in particular, relating to the wearing of seat belts and not exceeding the official passenger capacity of the vehicle – for instance if 7 people are injured in a 5 seater vehicle then the Personal Accident protection will simply not apply at all) then you will be entitled to the protection up to the indemnity limit shown above.

However, if you didn’t comply with those laws and/or regulations then our insurer may refuse the cover altogether or, if it can be shown that you were partially responsible for the level of injury you suffered in the collision or incident, it may seek to reduce its liability for the costs.

How to notify the insurance company?

It is important that you do your utmost to properly complete and sign an accident Claim Form which will be made available on our website europcar.fr (<http://www.europcar.fr/EBE/module/render/Conditions-generales-assurance-et-protections>). This gives the insurance company all relevant details of the incident and will allow it to ensure your claim is being handled as efficiently as possible. The accident Claim form should be transmitted to the insurance company (which details are mentioned on the Claim form) within a maximum of 5 working days of the collision or incident.
